## **Dataset Description:**

The MWIRSTD dataset consists of sequences of cracket rocket launches, captured using a cooled MWIR camera operating in the wavelength range of 3 to 5 µm.

## Registration:

To access the dataset, interested parties must register through the form available at [https://github.com/avinres/MWIRSTD](https://github.com/avinres/MWIRSTD).

# **Terms and Conditions:**

#### 1. License Grant:

- The dataset is provided strictly for academic, non-commercial, and not-for-profit purposes.

## 2. Usage Restrictions:

- Redistribution, republishing, or dissemination of the dataset in any form, either source or binary, is not permitted without prior written approval from the copyright holders.
  - Linking to the dataset's webpage is permitted.

## 3. Attribution:

- Any publications or works that utilize the dataset must cite the MWIRSTD Challenge and provide a reference to the dataset's webpage.

#### 4. Modifications:

- The copyright holders reserve the right to modify the dataset and the terms of this license at any time. Licensees are not permitted to modify the dataset.

#### 5. Endorsement:

- The names of the copyright holders cannot be used to endorse or promote products derived from this dataset without specific prior written permission.
